To Whom It May Concern:

"It's neat." "Circle of Friends" is so cool." "It's so much fun." "I look forward to participating in all of the activities." "I enjoy helping others." These are just a few responses about the Circle of Friends program at the Middle School. This program is a win win situation for both students with special needs and their regular education peers. This program helps promote friendship and compassion to everyone involved.

Sincerely,

FAA Teacher/Circle of Friends Sponsor,
